Sir:

In accordance with the duty of disclosure as set forth in 37 C.F.R. §1.56, Applicants hereby submit the following information in conformance with 37 C.F.R. §§ 1.97 and 1.98. No copy of the U.S. Patent documents have been supplied with this Information Disclosure Statement in accordance with the Official Gazette Notice dated August 5, 2003. Pursuant to 37 C.F.R. § 1.98, a copy of each of the other documents cited is enclosed.

WO 9923801 is the equivalent of U.S. Patent No. 6,388,349 B1.

Documents AA-AE were cited in the International Search Report for International Application No. PCT/JP03/16415 dated April 20, 2004. While these references were earlier presented, the Examiner stated that copies of such documents were not submitted. In that WIPO was to furnish such copies, and likely did, Applicants did not file duplicates. However, given the Examiner's position, copies are now being submitted. Accordingly, the Examiner's consideration of the references is requested.

Additionally, U.S. Patent No. 7,023,114 to Takagi et al. has been properly indicated. While not prior art to the present invention, as the filing date is March 8, 2005, such reference is none-the-less being submitted for the Examiner's consideration.

The Commissioner is hereby authorized to charge the fees, in the amount of \$180.00, connected with this filing, which are required now, in compliance with the provisions of 37 C.F.R. § 1.97(c), or credit any overpayment to Deposit Account No. 19-2380.

It is requested that the accompanying PTO-1449 be considered and made of record in the above-identified application. To assist the Examiner, the documents are listed on the attached form PTO-1449. It is respectfully requested that the Examiner initial a copy of this form and return it to the undersigned.

Respectfully submitted,

By: _____
